

27 Feb 09, SII Office Representative Party, SII Office

The inaugural party for the SII Office Representative was held! The party saw 28 participants gathered for food and drinks and of course networking. Mr. Teo Kwang Whee, the man behind this initiative, brought participants on a trip down SII's glorious memory lane with descriptions on how SII's past events brought such excitement to the industry that some participants have to be turned away due to overwhelming response.
